

Major Achievements of TREDA during 2018-19

Sl.No	Scheme/Programme/Activity	Physical achievements
1	Installation of Street Lighting System	1680nos
2	Installation of Off-grid Solar Power plant	358KWp
3	Installation of Biogas Plant underBMMP	20 nos
4	Community type improved Biomass Cookstove under Unnat Chulha Abhiyan Programme	31nos

Major Achievements of TREDA during 2019-20

Sl.No	Scheme/Programme/Activity	Physical achievements
1	Installation of Street Lighting Systems	970nos
2	Distribution of Solar Study Lamp	20000 nos
3	Installation of Off-grid Solar Power Plants	100KWp
4	Grid interactive rooftop SPV Power Plant-1 KWp to 100 KWp at residential etc. Building(subsidy scheme of MNRE)	0.321 MW
5	Installation of Biogas plant under NBMMP Programme	25nos
6	Employment/Job Creation	30nos

Major Achievements of TREDA during 2020-21

Sl.No	Scheme/Programme/Activity	Physical achievements
1	Installation of Street Lighting Systems	3570nos
2	Distribution of Solar Study Lamp	189433 nos
3	Installation of Solar Pump(New)	10nos
4	Installation of Biogas plant under NBMMP Programme	30nos
5	Employment/Job Creation	20nos
6	Installation of Off-grid Solar Power Plants	Proposal of 1822KWp Off grid power plant in RESCO model has been submitted to MNRE
7	Cluster Solar Hybrid under CSR Scheme	Proposal submitted to ONGC, NTPC for CSR funding. Work will be started after getting sanction.
